Thinner lines: size 1,
dash 2, gap 2

Thicker blue lines, size 1,
dash 3, gap 2
- this shows up better
- is this the right color?
- R looks better without
green background, easier
to look at?
- is analysis too busy
with roses?

Darkest/thickest
lines, size 1.5, dash 4,
gap 2
- triangles connect at
corners (unlike first
two examples)
- triangles more
visable
